

COMMERCIAL LIGHTING

LED Linear light
DB198 Series

Introduction

It is a suspended workplace luminaire with a strong focus on sustainability with minimal climate footprints. With a wooden frame, micro-prism louvre optic in PC reflectors, and reduced plastic components, the luminaire is made up of 70% recycled or renewable material. High-quality extruded aluminium structures embedded inside provide excellent thermal management. With fewer materials and components this pendant can easily be disassembled and re cycled. Beyond its construction, it offers exceptional operation efficiency and optimal up and down lit experience. The softness of the wood and the warm atmosphere created by the glare-free lighting will bring a modern and unique style to any office environment.

Features

- Power adjustable with DIP switch
- Direct and indirect light distribution
- High lumen efficacy reach up to 140lm/W
- UGR<19
- Single CCT 3000K/4000K
- Pendant installation, height adjustment of the wire via friction lock in the luminaire
- DALI dimmable for option
- Climate-friendly material source

Application Areas

It is designed for indoor applications in office, restaurant, hotel, cafe, bar, museum etc.

Technical Data Sheet

Code			DB198-1200-34W-A5					DB198-1500-45W-A5				
Dimension(mm)			1200*40*40					1500*40*40				
Cutout(mm)			-									
Watt(W) Up+Down			34W	31W	29W	27W	25W	45W	42W	40W	38W	36W
Watt(W) Down			27W	25W	23W	21W	20W	35W	33W	31W	30W	28W
Rated Input Voltage			AC 220-240V									
Input Voltage			AC198-264V

Installation Procedure

WARNING

- 1.Switch off before installation.
- 2.Switch on only after complete installation and examination of the circuit.
- 3.Professional electrician for installation and maintenance only.
